Welcome to the first edition of our What’s On Guide which replaces the Journal and Entertainment Guide. The What’s On Guide places all of the information into one publication detailing the various activities and promotions within the Club. In addition we will be providing all the news from our Intra Clubs in an online booklet from now on.

This year has been a very busy year at the Club. Our new car-park has now been open for over 12 months and this has been very well received, I thank all members for their patronage and continued support during 2015.

With your support the Club is on track to provide donations to our local community well in excess of $1 million in 2015. This assistance is provided to a variety of organisations and groups including schools, sporting groups, our local parishes and a variety of charitable groups within our local community. In addition, the Board is continuing to develop a Trust Fund aimed to support our local community into the future.

Our Hotel project is nearing commencement which will see an additional 88 rooms added to our Mercure Hotel. Liverpool and surrounding areas will experience significant growth over the next ten to twenty years, going through a period of improvement and reinvention in terms of the services and facilities available to our local community. I see our Club, Hotel and sporting facilities as part of this process, continuing to evolve into the future, and our Hotel will certainly contribute in this way.

I would like to thank our staff for their excellent efforts during the year. We currently have 311 employees across our various areas and I am appreciative of the positive feedback received from members regarding our staff. I am often impressed by the performance of our staff when attending functions and activities at our Club. Again, thank you.

Although at the time of writing it is only October, this will be my last report for the year, I would like to take this opportunity to wish all members a happy and holy Christmas. I trust the coming Christmas period will be a happy & safe time for you.

I would like to thank the many volunteers within our sixteen sporting and social groups for their efforts during the year. Without your dedication and assistance the sports and activities you represent would not be possible. Finally, thanks to my fellow directors for their support, commitment and contribution throughout 2015.

See you at the Club......
