Getting to know...

Our Community Coaches

Suzie Ferguson

Suzie is the amazing coordinator for our Community Coaching program, as well as a member of our committee. She has always enjoyed a hit of tennis and became involved at Thurgoona Tennis after enrolling her two daughters with Honeybee Kidz Tennis. Suzie's daughters loved playing tennis as well and they have been lucky enough to be taught by each of our wonderful coaches, Barb, Paul and Bruce. Suzie would love to see Community Coaching thriving at Thurgoona Tennis and for it to even be used as a successful model to encourage kids to participate in tennis at other clubs. When Suzie is not at the tennis courts, she can be found outdoors hiking or running. Thank you for your dedication to Thurgoona Tennis Suzie!

Our Community Coaches

Daniel Steer

Dan is one of our wonderful Community Coaches. He has been playing tennis for over 10 years, starting out with Paul Sykes as his coach in kindergarten. Dan became involved in Community Coaching as he was approached by the fantastic people who are behind it and getting it all started. Dan wanted to contribute his time to the community and help to encourage younger kids to explore tennis. In 5 years' time, he would like to continue playing tennis and coaching while studying at university if possible, around work and study commitments. Dan thoroughly enjoys the leadership skills he is getting as well as a great experience. When not on the tennis courts you might find Dan playing cricket or basketball or walking his dog Spooky. He is also a talented musician, playing instruments at high standards, singing and participating in musicals. Dan's most memorable tennis experience was the first year playing pennant with a good friend, they had so many great times and really sparked his interest in the game. Thank you for your wonderful contribution to Community Coaching Dan!
